ABOUT ME

I am an enthusiastic intern at Life Choices Studio, currently developing my skills in web and software development. With a strong passion for technology and a commitment to continuous learning, I am actively seeking opportunities as a Website Developer, Software Developer, or Full Stack Developer. My goal is to leverage my skills to create impactful digital solutions that meet user needs and drive business success.

EXPERIENCE

Intern

Present

Life Choices Studio

- Collaborate with a team of developers to design, develop.
- Utilize HTML, JavaScript, and Vue.js to create responsive and interactive web pages, ensuring cross-browser compatibility and optimal performance.
- Assist in the implementation of SEO best practices to improve website visibility.
- Participate in UI/UX design projects, applying principles learned from courses.
- Create user-friendly interfaces and improve overall user satisfaction.
